

17th International Conference on Power Electronics-ECCE Asia (IEEE ECCE Asia 2025)

May 11th to 14th, 2025 | Hilton Embassy Business Park Bengaluru, India

About the Conference

The 17th IEEE ECCE Asia scheduled to take place from May 11th to 14th, 2025, in Bengaluru, India. This event is organized by the IEEE Power Electronics Society (PELS). Since its inception, ECCE Asia has evolved into a highly respected conference that significantly contributes to the progress of power electronics technologies. The conference will offer diverse programs, including notable presentations, industry exhibitions, networking opportunities, and tours, fostering productive discussions and facilitating interdisciplinary collaborations to advance your research endeavors.

Call for Tutorials

The ECCE Asia 2025 organizing committee invites proposals for tutorials. Each tutorial is 3 hours long, excluding break times. The topics of tutorials include but are not limited to the conference paper submission topic available at <https://ecceasia2025.org/>. Those willing to give tutorial complete the details in Tutorial form and email to tutorial chair.
